

## Questionnaire for Foreign Flagged Yachts

Your vessel is being considered for a Port State Control examination by the United States Coast Guard. In order to determine if an examination will be required, please answer the following questions:

1. Which category does your vessel currently fall under?
  - a. Yacht engaged in trade carrying more than 12 passengers;
  - b. Yacht engaged in trade carrying 12 or fewer passengers;
  - c. Yacht not engaged in trade carrying non-paying guests or valid bareboat charter.
  
2. If you answered c. to question 1, will the vessel be engaged in trade, carrying any amount of passengers, upon departure from port?  
 Yes, if so how many passengers? \_\_\_\_\_  
 No, the vessel remains not engaged in trade and will not be carrying paid guests or vessel has a valid bareboat charter.
  
3. What is the gross tonnage of your vessel, as measured under the International Tonnage Convention (ITC)? \_\_\_\_\_ GT ITC
  
4. Has your vessel been issued any of the following documents/certificates? If so, please send a copy of all pages.
  - Certificate of Registry
  - Minimum Safe Manning
  - Classification Document
  - International Tonnage Certificate
  - International Load Line Certificate
  - SOLAS Equipment Certificate
  - SOLAS Construction Certificate
  - SOLAS Radio Certificate
  - International Oil Pollution Prevention Certificate
  - International Air Pollution Prevention Certificate
